Kanehsatake Chase the Ace Committee

Ms. Karennahawi McComber, Mr. Brandon Etienne & Mr. Jeffery Nelson

Dear KCA Committee Members,

The Kontinónhstats – Mohawk Language Custodian Association (MLCA) want to sincerely thank the committee for the very generous contribution to our Kanien'kéha Adult Immersion Program of \$15,000.00.

There is so much work to be done in language revitalization – its promotion, protection and doing everything we can to provide access to our language programs.

It is through your generosity that we can help our students to focus on becoming fluent speakers who are achieving both oral fluency and written literacy in our beautiful language.

We will meet with the students and their teachers this week to share with them the wonderful gift that the Chase the Ace Committee has awarded on their behalf.

Niawenhkówa!
