## Language & Craft Classes in FEBRUARY 2018.

You can join our morning classes at any time. We offer beginner and intermediate levels.

- If you can only spare a morning or two – that's great! Please come and join classes that are scheduled to meet the different needs of the learner: do you work during the day or are you a student? Every Wednesday morning, we'd like to have a craft day. Making small crafts like beaded velvet birds or "Tsí:tha" or small hand or loom beading projects, etc. You can start or finish your own project with us. We can learn the terms in Kanien'kéha while doing a fun activity.
- Kanien'kéha classes - You could do one morning and one evening session – it's all up to you.
- This year will follow the same hours and days as last year. Our experienced, fluent teachers will teach:

Monday to Thursday: 9 am to 12 pm **or** 1 pm to 4 pm

Tuesday Evenings: 6 pm to 8 pm – mixed levels

Wednesday Evenings: 6-8 pm - craft night

Friday (employees): 12 pm to 2 pm.
